JOIN US IN PRAYER!

This guide is set up so that you can join us at any time. You do not have to start on the 1st day of the month. Join us in prayer today!

How to use this guide:

Start by finding a quiet place. Open in prayer, thanking God for who He is and for what He has done in your life. Then, look up the Bible verse beside each of the prompts and ask God to show you what He wants you to understand and learn. Journaling is a great way to get your thoughts down on paper and to stay focused. Finally, use the verse as a way to pray for that particular quality to grow in your own life.
