

Archery: (Now open to all ages!) A great way to learn how to shoot a bow. You will go over safety and technique in the first class, and then quickly move towards passing levels, while improving your skill.

Bible: A class dedicated to studying a Bible character or Biblical theme—a great chance to learn more about the Bible.

Canoeing: (Now open to all ages!) You will begin by learning the strokes and advance to taking outings with friends around Lake Edith and playing fun games. A great way to explore the different lake coves near to camp, while enjoying some time on the water.

Cheerleading: Learn different Greystone cheers, chants, and basic stunts in our Cheerleading class.

Cooking: Learn to measure, mix, bake, cook, and then eventually eat some great Greystone treats.

Dance (Ballet, Tap, Hip Hop): Great for beginners to the more advanced, you will work on a dance routines all while having a ball in our dance studio!

Dog Camp (1st – 2nd grade): Play with our camp puppies! Teach them all they need to know to grow into mature dogs – you will walk and groom them, while also teaching different tricks and skills.

Drama - Acting and Broadway Fun: If you like to play games, learn how to talk in accents, and how to think on your feet, these drama classes are for you! Our drama staff will teach you the essential principles of acting, voice, and speech through creative games and activities.

Farm & Garden: Help to grow things in our very own Greystone farm! You will also learn about chickens and rabbits by playing with these adorable animals.

Fine Arts - Ceramics: Learn how to dig in the clay for actual clay before sculpting masterpieces.

Fine Arts - Crafts: This year, our main Crafts project will be a comfy and cute, no-sew pillow.

Fine Arts - Sewing: Hone your needle and thread skills with this popular class.

Fine Arts - Painting: You could be the next Monet! Paint to your heart's desire throughout Junior Camp.

Fishing: Catch an array of fish right from the Greystone dock! You will enjoy this relaxing class as you see what you can reel in on any particular day.

Greystone Groove: This camp classic is a Zumba-style aerobics class, with choreographed dances created by our very own Greystone counselors.

Gymnastics: Enjoy time on all four event areas, learning basic technique or developing skills in each area. Campers work to pass different levels as they improve on their skills.

High Ropes (3rd - 4th grade): With three different skill platform areas, you will move between the different stations as you try out all of our different ropes obstacles.

Knitting: Choose your yarn and learn the basic stitches. More advanced knitters will enjoy making bigger and more intricate designs.

Landsports (includes Basketball, Kickball, Soccer, Golf, and Sports Your Grandma Used to Play): All of our Landsports classes spend time going over basic skills and fundamentals, and then putting these into practice through fun games and play.

Outdoor Skills: Want to learn how to build a fire, tie a knot or go on a hike? This is the class for you! Enjoy playing out and about in camp, while getting to know more about the world around you.

Photography: In this class you will learn the principles of composition, lighting and editing. There will be opportunities to submit your photos to the Greystone Gazette (our very own newspaper) or even be a guest photographer on one of Jimboy's blog posts. Our photography

studio is right in the middle of all the action at the Fine Arts Center — this class is one you do not want to miss! Remember, **you must bring your own camera!**

Riflery: (Now open to all ages!) We shoot professional air rifles on a 50-foot range for NRA patches and certificates. Greystone girls are very good marksmen, consistently beating the competition at local meets and earning top awards from the NRA. Learn to shoot at Greystone where you are learning from the best!

Swimming - Pool Games: Our state-of-the-art complex allows you to surpass many goals throughout the summer. Two very large swimming pools, one that is 10 to 12 feet deep and the other a comfortable 3 to 8 feet deep, are both heated to a relaxing 85 degrees by state of the art solar panels.

Tennis: Our well maintained 8 hard surface courts are positioned in the very heart of camp. With the lake and mountains in your view, you can work on your backhand, strengthen your serve, and learn how to be a great tennis player. Our instructors are experienced in teaching all levels of USTA standards; from beginner all the way to advanced tournament levels. Whether you have picked up a racket for the first time or played most of your life, Greystone tennis is for you!

Waterpark: What better way to beat the than some lake fun at the Greystone water park - from sliding down our junior 100-foot waterslide and our giant 170 foot super slide, to paddling, to blobbing, to jumping on our 30-foot water trampoline...there is something for everyone at this class!
